We hand-craft our small batch spirits right here in this very bar on Gracie, our 500L pot still, which you can see behind glass at the back. When it comes to our handmade spirits, expect the unfamiliar. Additions here and omissions there have transformed the original you know so well into something with much more character.

ALL OUR SPIRITS ARE AVAILABLE TO BUY BY THE BOTTLE TO TAKE HOME FROM THE HOTEL RECEPTION

Here's to the wild spirits

The thinkers, doers, leaders and drinkers...

The imperfect perfectionists.

For they see the world in all of its weirdness.

They are the ones who live life's wonders.
