POETIC LICENSE SPIRITS

Based in the heart of Roker in Sunderland, Poetic License Distillery creates some of the region's finest hand crafted, small batch gin. We use a traditional production method that although labour intensive means that we can ensure high quality crafted spirits are produced. Distilling on our very own 500 Litre Copper Still 'Gracie' in the rear of the Poetic License Bar you know that delightful cocktail hasn't travelled far from it's source.

Chin chin, here's to the wild spirits!
